

Independent Study Pre-Authorization Registration Form

Hospitality graduate students have the option to complete an independent study course under the direction of a hospitality faculty member. Students must complete this form and receive pre-authorization to register for HOA 781, HOA 782, or MHA 681. Completed forms must be emailed to Rhonda McElroy (rhonda.mcelroy@unlv.edu) in the Hospitality Office of Graduate Programs. After review of the completed form, the student will be granted permission to register for the course. Once permission is granted, it is the student's responsibility to register for the course prior to the start of the term.
