

Hospitality Summer Research Grant Funding Request Form

Doctoral students who are submitting a Summer Research Grant Proposal and are requesting research funds must complete and submit this form, with all required documentation, with their Summer Research Grant Proposal. Awarded grants are eligible up to a maximum of \$2,000 to assist with the research project. The amount awarded will be indicated in the award email if grant is selected.

General Information

Student Name: _____

Rebel Email: _____

Faculty Advisor: _____

Faculty Email: _____

Required Dissertation Research Documentation

- Attach a copy of the survey to be administered, if applicable.
- Attach a copy of the IRB approval.
- Attach copies of detailed research project quote received from service providers being used.

If not part of the Summer Research Grant Proposal, please submit the following information with this completed form.

- Explain the detailed process for collecting the data to help examine this problem.
- Explain how this is the best approach to data collection for this research.
- Provide a description of the sample and sample size that will be used and why this is the right sample size.
